*To register for the conference as a member of a third party (shaded cells), a participant should have read the party's platform and plan to adhere to its positions OR create a unique third party by submitting a party platform by **March 1** to be recognized as a third party legislator. Because this is a realistic legislative simulation, all students in (or who could move into) legislative positions **must** declare some kind of party affiliation. Platforms already submitted to the program office (those listed above) are posted on the web site.

Please accept my application to the Montana YMCA Youth and Government Program. I hereby agree to uphold the letter and the spirit of the Youth and Government Code of Conduct.
