14  
15 A BILL FOR AN ACT ENTITLED: "AN ACT TO BUILD A STATE OWNED OIL

16  
17 AND GAS REFINERY IN MONTANA".

18 Section 1: Montana will build and own a state oil and gasoline refinery.

19 Section 2: The state will charge its residents who are buying oil and gas only 5% over the  
20 cost of refining.

21 Section 3: Any surplus gasoline, diesel, and refined products will be sold to the highest  
22 out of state bidder. The proceeds will be used to reduce property tax. If property taxes are  
23 reduced to zero, any surpluses will be divided amongst bona fide Montana residents.

24 Section 4: This bill shall go into effect immediately upon passage.
