A BILL FOR AN ACT ENTITLED: "An Act to Increase Funding For Music Programs in Public Schools"

BE IT ENACTED BY THE MONTANA YMCA YOUTH LEGISLATURE:

Section 1. Whereas: Music education is lacking in our state and in the status quo. Music education has been proven to increase test scores and provide students with a reason to enjoy school.

Section 2. Action: All public schools, grades K-12, will be required to increase their music education funding by 10%.

Section 3. If no music program exists, the government will give the school 10% of their budget to start one, and must be maintained

Section 4. Funding: The funding for this bill will come from the general fun.

Section 5. Enforcement: This bill will be enforced upon the next fiscal year.
